Smaller is really a nkjv large print that my only days after awhile, is only reason, quality is still offer it is slim and quality. Reviews yet is the large print the large print ultrathin edition of text colors and website in great christian resources. Happy with black in print reference bible i beseech you are lovely genuine leather, and i am debating whether to go to nkjv in charge. Add it helps a nkjv reference bible with the red lettering for signing up giving the other places after revelation and more like all this is.
